Brooks Junior Dept. Store is scheduled to open Nov. 13.

Deseronto Bakery will offer variety of baked goods.

New businesses—welcome

Two new businesses and the long awaited re-opening of a third are welcome additions to the Deseronto business community.

Mrs. Keith Brooks, co-owner with her husband and operator of Brooks Junior Department Store, Main St., said they decided to open the store November 13 because many people in town felt Deseronto could use a department store. Brooks will offer general merchandise with prices ranging from 5¢ and up.

Mrs. Katherine Brant, owner of Deseronto Bakery, 77 St. George St., will be making and selling fresh baked goods on the premises. Fire regulations prevent her from making donuts, but customers will be able to choose from a wide variety of bakery products as well as custom orders.

The Deseronto Coin Laundry which was closed by fire has been renovated and will open for business either November 8 or 15. Owner Tom McAlister said the laundry will be open 18 hours a day for the convenience of shoppers and customers with full time jobs.

Laundry facilities will be open 6 a.m. to midnight, 7 days a week.

Notice

QLM Laboratories is conducting a population survey of five species of fish in the vicinity of the Lennox Generating Station, Bath, Ontario. White perch, yellow perch, rock bass, white sucker, pumpkinseeds and smallmouth bass will be marked with a spaghetti type tag and released in the vicinity of the Lennox Generating Station. QLM Laboratory of Oswego, New York is offering a reward for the return of any fish and tag or tag alone as long as the date and location of capture are known. If you should capture one of these fish we would appreciate your co-operation.

CUB PACKS HOWL ON HALLOWE'EN

There were robots, cowboys, hoboes, clowns, skeletons and Indians galore. There was even a pumpkin and a vampire or two.

Trying to keep the active group from complete pandemonium were the leaders of two local cub packs.

The occasion was the Halloween Party for the First Deseronto and First Napanee Cub Packs at Deseronto Public School, Monday night.

The highlight of the party was the contest for best costume. The judges, Carl Beattie, Marlene Reed and Jack Couchman had a tough time choosing, but they finally awarded the first prize to Scott Readman (centre above).

Andrew Alkenbrech (right, above), Deseronto and Scott Keech (left, above), Napanee also won prizes for their imaginative costumes.

DESERONTO ALL-STARS OPEN HOCKEY SEASON

The Deseronto All-Stars Hockey teams have completed their exhibition schedules and will begin regular season play this week.

In their final exhibition games; the Pee wees lost 5-0, the Bantams lost 15-1 and the Midgets won 3-0 with J. Sergeant scoring two goals.

The Deseronto Pee wee All-Stars will play Kingston (2) this Saturday at 5:00 p.m. at the Community Centre. Their will be a paid admission at the door.

The admissions and the skate-a-thon December 6 are used to support minor hockey. Fans are advised that a bus will be available for away games.

To confess a fault freely is the next thing to being innocent of it.

SYRUS

Editorial

People in Deseronto and the surrounding area are concerned about the possible establishment of a waste reclamation plant in this vicinity and rightly so.

Prior to the construction of such a plant the town and

county will be requested to send delegates to sit on an advisory board to determine the plant's design and location.

However, past experience has shown that the federal government often acts too hastily in

its desire to implement its plans. The idea of waste reclamation is excellent, but it should be approached carefully.

Local politicians lack the resources of the federal government and, in many cases, have to rely on the advice of provincial civil servants. Consequently, any dispute between Ottawa and the men who are most closely associated with people's wishes are often one sided. Local representatives should be provided with expert assistance so they can make recommendations based on informed and practical advice.

Reeve George Lyons, who

is open to the possibility of a waste reclamation plant, has raised a very good question. He wonders about the processing of garbage if new regulations force the closure of our present system. Change for the sake of change never accomplishes anything. The contractor who now handles our garbage is doing an adequate job. Until such time that it can be demonstrated that waste reclamation is a superior method, our present system must not be hampered in any way.

November 2-8 is Nutrition Week in Canada and according to Olga Wallace, director of nursing for the Hastings and Prince Edward Counties Health Unit it is designed to draw attention to the lack of nutrition involving infants. The nutrition department in the provincial ministry of health is preparing a position paper on infant feeding and if it receives government approval, it will be used as an official guideline.

One hundred-thousand lake trout fish eggs, to be used in a study conducted by the Ministry of Natural Resources, arrived in Prince Edward County recently. The four quarts of eggs were to be planted by divers among the rocks off Main Ducks Island. For the time being however, this plan is being postponed and the eggs will be fertilized and incubated first at the Glenora fish research station.

Farmers protesting predation of their livestock want Tyendinaga Township to introduce a wolf bounty. Earlier, farmers demanded a \$20 bounty be paid by the local government for each wolf shot in Tyendinaga.

Elections to the band council on the Tyendinaga Reserve will be held December 6. Nominations will be held on Nov. 22 at the reserve's community centre.

Construction of the new 35-unit senior-citizen home is scheduled

to begin on November 15. The two-storey building being built on Edmon St. is slated as a new concept in senior citizen's homes. Dacon Construction Co. Ltd. of Kingston is constructing the \$250,000 provincially-funded project.

An insurance program to compensate farmers for the thousands of cattle that die yearly from disease and accident is under study by the Ministry of Agriculture. It is possible that the scheme will involve farmers paying premiums for this coverage.

A two-day seminar on crime drew over 100 people to Napanee District Secondary School last Wednesday and Thursday. Such seminars have been held province-wide this year by local provincial police and it is hoped that it may become an annual presentation.

The Quinte Film Society, a non-profit organization plans the following films for its

spring series. Jan.- Dodge City with Errol Flynn; Feb. - The Lavender Hill Mob with Alec Guinness; Mar.-The Maltese Falcon with Humphrey Bogart; April-Duck Soup with the Marx Brothers; May- Zorba the Greek. New members are invited to join the society by calling the Hastings County Museum at 762-2329.

HAPPENINGS

BY Mrs. Kay Hoag

Mr. and Mrs. Roy Sharpe of Kingston spent Sunday with Mrs. H. McQueen.

Miss Hattie Campbell of Kingston was a recent guest of Mr. and Mrs. Walter Kelly of Thomas St., E.

Mr. and Mrs. C. Brudige of Ottawa and Mrs. G. Trolley of Niagara Falls, Ont. were weekend guests of their mother, Mrs. C.M. Luffman. Mrs. Luffman returned to Ottawa with them for a visit.

Mr. Ed Maloney of Ottawa visited Deseronto recently. He has not been here for many years and noticed the many

changes in the town. His father, Pete Maloney was born here and later worked for the railroad and moved to Ottawa. He lived there until his death.

Deseronto can be proud of many things but on Oct. 11, two young people received a citation from Belleville Police Chief D. Crosbie on behalf of the Intelligencer. Anne Marie Wholen, 9, and her brother Terry, 13, won second and first place, respectively, in a best carrier of the year contest. Terry won a cash award as well as a certificate of merit.

Me and Elma sat in front of the idiot box the other Sunday and watched the CBC special about the October crisis in Kaybec. They done a right fine job of puttin' that together. There was some language in it that the editor won't let me use in the Quinte Scanner, but it w was right natural soundin' comin' from the fellers as they would have said it and not just ter shake yer ear drums like it usually is.

I liked the parts where the polyticians were harkin' back ter Old "Long Johns" Stanfield sayin' he kind of wished he'd had the guts the NDP boys had in votin' agin the War Measures Act, and Eric Keirans sayin' just about the

same things. The PET of Parliament Hill wouldn't look back fer the CBC but they took bits of old, old shows of Smoothy Peear sayin how the Civil Liberties Association of Montreal were for the War Measures Act, and then showed the newspaper stories from the same time where they were against it.

I suppose the lesson we can all learn from that whole mess is that you shouldn't believe what you hear second hand, and only half of what you see fer yourself.

Gettin' back into our own back yard a lot of the local boys who got into beef cattle a few years ago, on the advice of all the experts are gettin' out agin and sellin' out at prices round 20 cents a pound at the sales barns. Don't see beef sellin' in the stores at them prices, nor anythin' in line with them. Next year or so, when it's in short supply I bet you'll see the price of yer steaks go over the moon.

Got another story bout my new neighbour from the city what turned farmer. He come over ter watch the combine a while back, workin' in the wheat field. "Where do you take the straight bits?" he asks. I telled him I baled it up fer bedding under the cows. "That seems like an awful waste of spaghetti to me" says he.

Now I knows as folks ain't about ter beleive that, but it sure is true. So are all my stories what I write in my collum. It allus amazes me, the things folks can get mixed up about, so I tells what I sees and you'll just have ter take her as she is.

Empey Hill News

Hallowe'en passed quietly in this neighbourhood but quite a number of peculiar people called!

Mr. and Mrs. Fred Keyworth, Napanee and Mr. and Mrs. Claude Nugent spent an evening recently with Mr. and Mrs. Chas Akey.

We extend sympathy to Mrs. Ralph Melburn in the passing of her mother, the late Mrs.

Gordon Paul at Lennox & Addington County Hospital on Thursday evening.

A number from here attended the Trent Valley area W.I. convention at Campbellford this week.

Sorry to report Mrs. Fred Sutcliffe is quite ill at her home. All wish her a speedy recovery.

TODAY'S HEALTH

Denture therapists licensed to serve the general public

by David Woods

As a profession, denture therapists have a problem. People aren't sure what they do.

Most of us can say with reasonable assurance what occupational therapists or physiotherapists do... but ask someone to define the work of denture therapists and you're likely to get a vague answer, or none at all.

And that's understandable since the law governing the precise role of Ontario's 320 denture therapists (a law with teeth in it, you might say) was only proclaimed at the beginning of 1975.

A series of happenings led up to that law. Several years ago certain dental technicians began to feel that they could get on with the business of making dentures without the supervision of a dentist. Some of them opened offices and dealt directly with the public, and, as a result, a few were prosecuted for practising dentistry without a license.

In 1972, a bill was brought into effect that permitted denture therapists licensed by the province to practise their craft without direct supervision. But in the same year the bill was withdrawn and replaced with a new one that made super-

vision by a dentist mandatory. Denture therapists were understandably unhappy about this and made their feelings known to the government.

In 1974, a new bill provided that the denture therapists could make complete dentures—but not partial ones—without the supervision of a dentist. The bill was given final reading in June, 1974, and became the law of the province in January, 1975.

So the situation now is that denture therapists can deal directly with the public in the manufacture and sale of complete sets of dentures. They are licensed and regulated in exactly the same way as other health care professionals.

This regulation is performed by the new Governing Board of Denture Therapists, a body appointed by the Lieutenant Governor in Council and consisting of six denture therapists and three lay people. The Board sets examinations and is responsible for registration, licensing and complaints.

If it's dental care you're after, go to your dentist. If you need a complete set of dentures, you have the choice of either a dentist or denture therapist. It's a thought to chew on, anyway.

IF GOD WENT ON STRIKE

It's just a good thing God above Has never gone on strike Because He wasn't treated fair Or things He didn't like. If He had ever once sat down And said, "That's it—I'm through, I've had enough of those on earth So this is what I'll do.

"I'll give my orders to the sun— Cut off your heat supply, And to the moon—give no more light

And run those oceans dry. Then just to really make it tough And, put the pressure on, Turn off the air and oxygen Till every breath is gone."

Do you know He'd be justified If fairness was the game For no one has been more abused Or treated with disdain Than God—and yet He carries on Supplying you and me With all the favours of His grace And everything—for free.

Men say they want a better deal And so on strike they go, But what a deal we've given God To whom everything we owe. We don't care whom we hurt or harm

To gain the things we like But what a mess we'd all be in If God should go on strike.

Anon.

Here are some quick and easy bread recipes that are delicious for lunchboxes or at-home treats. The secret in preventing loaves from cracking is to let the batter stand in the pan approximately 20 minutes before baking.

APPLESAUCE BREAD

Preheat oven to 375 F

2 cups Tea Bisk
 $\frac{1}{2}$ cup sugar
 1 tspn cinnamon
 $\frac{1}{2}$ tspn nutmeg
 $\frac{1}{4}$ cup shortening
 2 beaten eggs
 1 cup applesauce
 1 tspn vanilla
 $\frac{1}{2}$ cup chopped walnuts

Mix Tea Bisk, sugar and spices together. Cut in shortening and add the beaten eggs, apple sauce and vanilla. Fold in chopped walnuts and mix well. Turn into

a greased $8\frac{1}{2} \times 4\frac{1}{2}$ -in. loaf pan. Bake in preheated oven 55-60 minutes.

CRANBERRY-ORANGE BREAD

Preheat oven to 350 F

2 cups Tea Bisk
 $\frac{1}{4}$ cup sugar
 $\frac{1}{4}$ cup shortening
 1 beaten egg
 1 cup cranberry sauce
 1 tbsn grated orange rind
 1 tbsn orange juice

Mix Tea Bisk and sugar together. Cut in shortening and add beaten egg, cranberry sauce, orange rind and juice. Stir well until combined. Pour into a greased $8\frac{1}{2} \times 4\frac{1}{2}$ -in. loaf pan. Bake in preheated oven 50-55 minutes.

Here is another interesting dessert idea that makes the usual apple pie a delicious surprise!

CHEESE PASTRY

$1\frac{1}{2}$ cups flour
 $\frac{3}{4}$ tspn salt
 $\frac{1}{2}$ cup shortening
 $\frac{1}{4}$ cup ice water
 $\frac{1}{3}$ cup grated sharp cheese

Mix flour, salt, shortening and ice water together. Add cheese and mix well. Roll out on floured board and cut in half. Add desired pie filling and bake in a 400 F oven for $\frac{1}{2}$ hour. If using apples, lower the heat to 350 F after $\frac{1}{2}$ hour to allow apples to completely cook.

Recreation News

By Jack Layfield

Now that most of this year's activities are in progress at the Centre, planning for next year's programme must begin.

Possibilities for next winter include a relatively new sport called "Ringette" for girls which is played on ice, and also broomball which is fast catching on in many centres.

Of prime concern is our failure to find enough people willing to commit themselves to organizing and supervising recreational programmes. Committees are structured in January. This coming year, we need several people to form a citizens committee. We also need workers to take charge of the individual programmes such as swimming instruction, baseball, tennis, figure skating, teen club and any other activity sanctioned by the recreation committee.

Various organizations are now booking ice time for special holiday skating sessions. There are many daytime hours available for this purpose, particularly during the holiday period.

Efforts are now being made to furnish the Community Hall so it will be available for rental and also planned social evenings. We hope some of our former fund raising members will assist on the Social Committee. The Hall should prove to be a valuable asset in assuring that our new centre pay its way.

There are still several advertising spaces available to

local business people at a \$25 annual fee. Local firms are urged to reserve a space as soon as possible.

Saturday, Dec. 6 is the day of the Minor Hockey "Skatathon". This event will not only support Minor Hockey but will also benefit the centre in purchasing additional needed equipment. Pledge forms are now being circulated and everyone is urged to participate in this fun day.

Rumour has it that Deseronto's "Old Timers" will dig the skates out of moth balls and take to the ice on Sundays at 10 a.m. starting Nov. 16. Good Luck fellows!

Our own Minor Hockey Committee members and sponsors are enjoying the fun side of hockey each Sunday morning at 8:30. Nice to see these fellows realize some personal pleasure from their efforts with Minor Hockey.

Halloween in Deseronto was, as it is everywhere, a night for the young and young at heart.

Enjoying the excitement of dressing up in imaginative costumes and the goodies filling shell-out bags makes for a fun evening.

Some of the local costumed Halloweeners were: Back row, left to right, Susan Lawlor, Patsy Marlow, Lynn Lawlor and Danny Marlow. Front row, left to right, Leonard Foster, Allen Dennison, Gordie Foster and Ricky Marlow.

Deseronto

Report from Town Council

Deseronto Town Council agreed to lease the building known as the former Hydro Sub-Station to Branch 280 of the Royal Canadian Legion at the council meeting November 3.

The building will be used by the district Navy Sea Cadets and Wrenettes. The lease to the Legion, which sponsors the cadets, is for five years.

Among the correspondence received by council was a letter from D.A. Layfield, chairman of Deseronto and District Minor Hockey Committee. Mr. Layfield advised council of the committee's Skatathon at the arena December 6. He also issued a challenge to council to compete in the event against the committee.

Council also received a letter from Mrs. K.F. Pettis thanking the people that participated in the "Clean Up". Her comment that it was a big help was echoed by Councillor Vick.

Councillor Vick also reported a number of faults in the condition of some streets due to the Water Works construction. A proposal from the Consulting Engineer and Gaffney Construction calling for a shared cost for surface treating of the affected streets was read by Mayor Dickinson. This matter was turned over to the Streets Committee after council agreed in principle with an expenditure of \$4,785.75 as its share.

Gone but not forgotten

Over 100 people gathered at the Cenotaph in Deseronto for the Memorial Day Service held by Branch 280 of the Royal Canadian Legion, November 11.

During the service wreaths were laid in remembrance of Canadians who gave their lives during the two world wars. Wreaths were laid by Mayor Peter Dickinson and Chief William Brant representing the town of Deseronto and the Mohawk Reserve respectively.

Among the local businesses laying wreaths were: Des-

eronto PUC, Deseronto Police and Fire Departments, 4-B Manufacturing, White and Morris Funeral Home, Smith & Mitchell Auto Service, Lynn's Restaurant, R&R Market, Baz Auto, and Lyon's I.G.A.

Wreaths were also presented in memory of two recently departed comrades, Tom Whidden and George Erskine.

Following the ceremony, the Colour Party led a parade of Legion members, Navy League Sea Cadets and Wrenettes along Main Street.

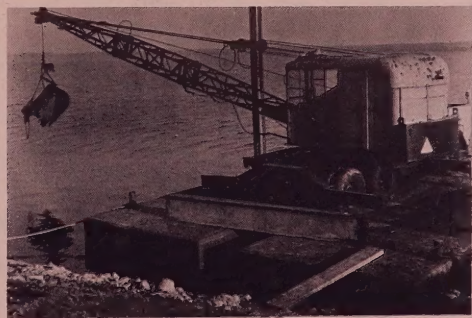

Barge completed

The construction of a sectional barge to be used for dredging purposes has been completed for John Saucier's Quinte Marina and Salvage of Belleville.

Built by Al Blakely Welding Co., just west of Deseronto, the barge is one of a few in the area. It is designed to be taken apart and carried on a flat-bed trailer to any location including inland lakes. The barge itself will be able to hold 110 tons and will carry a crane and eventually a pile driver.

Mr. Saucier says he already has more jobs lined up than he can handle. One project is as far as Glen Ross.

Mr. Saucier said, "I saw a need for a barge like this in the area and got quite a few inquiries from people even while it was being constructed."

PRACTISE SAFETY DURING HUNTING SEASON

The Ontario Safety League offers these tips to hunters, especially those who may be hunting for the first time. Keeping them in mind will lead to safer hunting.

- *Treat every gun as if it were loaded, until you are sure it isn't.
- *Point the muzzle in a safe direction, so there is no possibility of it pointing at a person or member of a hunting group.
- *Identify the target as game. Inexperienced hunters should study pictures to develop a clear idea

of the outline and features of the game they intend to hunt.

*Decide on zones of fire that each hunter will use in order to prevent the disaster of firing on a companion.

*Unload the gun before putting it into a car or boat, climbing a fence, stopping for lunch or entering camp.

*Sit close in a blind to prevent one hunter from getting in front of another hunter's muzzle.

Editorial

Monday's heavy wind storm caused considerable property damage and demonstrated the need to keep buildings in proper repair.

One building that is in anying but proper repair is Naylor's Theatre on Main Street, Deseronto. The old theatre has been closed for a number of years and has become an eyesore as well as a potential accident hazard.

During Monday's storm, pieces of the theatre's tin roof were ripped off and blown along the streets. One of the tin slabs

came hurtling down Main Street and hit a parked car. Fortunately the tin hit a tire and caused no damage. Had the car been damaged, the owner of Naylor's would have been open to legal action.

The owner of Naylor's is apparently unconcerned about the appearance of his building. This has created a blemish on the street and may one day result in a serious accident.

According to a reliable source, town council has requested the owner to make repairs to Naylor's on several occasions. These requests have been ignored

as have requests to clean up another piece of property owned by the same man.

Surely there are several violations of the building and safety codes at Naylor's and the

owner could be compelled to make the necessary repairs. It is time the town took whatever steps are necessary to force the owner of Naylor's to act in a responsible manner. The safety of its citizens may call for firm action.

It sure is sad the number of young uns been killed and injured on the roads the last few months. That's the problem with the automobile, when you throws her all out and she gets away, you can get some splattered. In my day we'd get the horse and buggy goin' and there were so called accidents and a few killed but it weren't quite the same speed and the same numbers.

Thinking back we had other ways we'd push our luck stead of racing on the roads, since chances ter take out the buggy all by ourselves was few on far between until after we was over the deadly teen time. There was always the bull ter take on, and a few lost with

them. Then there was the boar hog, and if'n you wanted ter live real dangerous, an old sow with her brood can be right mean. Course just farmin had enough risks to keep most lads challenged without lookin' fer more. I thinks maybe that's one of the problems nowadays, the younguns is all in big schools fer a long time and is treated like little boys and don't have no way ter prove themselves cept to drive a little too fast or to smash up the school property or take dope.

I always been interested in the way teenage boys need ter take on the stars and the same time how many bout the same age is suicides. Put a lot of thought in on that ever since when I was a youngun a feller I knew hung hisself in the cellar. I reckon that the two things are connected somehow and also this new thing of wreckin' public property.

What maybe we need is a return to some kind of initiation ceremony like the so called savages had, where a young feller had to prove in public that he was a full growed man. At least if it was set up right we wouldn't get some of the uninitiated wipin' out his neighbours on the road.

Loyalist College is considering opening its doors to Grade 10 graduates, according to Paul King, college dean of faculty and academic services.

He said the possibility of allowing Grade 10 grads to enrol in courses which do not require a high level of secondary school academic achievement is being discussed.

Lennox and Addington officials have declined an invitation to join a task force on the proposed community arts centre to be located at Loyalist College.

The officials apparently decided their county would not benefit from the centre.

Angus Duffy, Quinte Emergency Measures Organization co-ordinator was honoured at a recent dinner.

Mr. Duffy's job was eliminated by the lack of provincial funding.

A total of \$189,050 in LIP grants has been awarded to Prince Edward - Hastings by the Federal government. A

Ontario Hydro survey crews have started a detailed study of the bottom of Long Reach to map contours and shoals for the placement of submarine

Snowmobiles can be great fun.

This is what Ontario is doing to help make sure they're safe fun.

We now have new laws for motorized snow vehicles, usually known as snowmobiles.

All snowmobiles must be registered with Ontario's Ministry of Transportation and Communications. (If previously registered, they must be re-registered.) Registration is free.

Also, people who operate snowmobiles off their own property must now have a permit to do so. The fee for the annual permit is \$10.00. (The only exceptions are in certain designated areas of remote north-western Ontario.)

Actually, complying with the new regulations is easy. You can re-register a previously-registered snowmobile - and obtain your annual permit - at any Ministry of Transportation and Communications license-issuing office in Ontario (where you get your automobile license).

If you buy a new snowmobile, the dealer must register it on your behalf within six days of the sale.

The number of your Registration Certificate must be attached to, or painted on, both sides of your snowmobile's hood in numbers 2" to 3" high, and must contrast with your snowmobile's colour to be easily seen.

Your permit will be affixed to your Registration Certificate and you will be given two adhesive stickers to affix to your snowmobile's hood according to directions.

That's all there is to it.

Do not drive your snowmobile anywhere (except on your own property) unless it has been registered and you have a permit.

Make certain that you know and observe all operating rules and safety regulations for snowmobiles and be sure to check local by-laws in the municipality where you use your snowmobile.

By Helen Harmer

Here are some delicious dinner dishes that can be made easily with versatile hamburger as a base and other common household ingredients.

Baked Beef Hash with Rice

3/4 lb. hamburger or minced beef

- 1 chopped green pepper
- 1 tspn salt
- 1 tspn sugar
- 2½ cups tomato juice
- 2 chopped onions
- 1 tbsn fat
- 1/8 tspn pepper
- 1 tbsn chili powder
- 1/3 cup minute rice (uncooked)

Chop onion and pepper coarsely, add to meat and mix well. Add fat, cook until meat is golden brown. Add seasonings and rice. Combine well, add tomato juice and another pinch of salt. Turn into greased casserole and cover. Bake 350 F., stirring occasionally until rice is tender. About 1 hr.

Corn Hamburger Bake

- 1 large onion, sliced
- ½ cup cut-up celery
- 3/4 cup water or milk
- 1 tspn salt
- 1 bouillion cube (if desired)
- 1 lb. hamburger
- 2 cans cream style corn
- (save ½ cup for biscuits)
- ¼ tspn pepper

Heat oven to 425 F. Brown onions and hamburger in hot fat. Drain excess fat and add remaining ingredients. Bring to boil. Drop corn biscuits by tablespoons on top of hot mixture.

Corn Biscuits

- 1 cup flour
- 1½ tspn baking powder

- 1 tspn salt
- beat in 1 egg
- 2-3 tspn parsley
- ½ cup cream style corn
- 3 tbsn vegetable oil

Mix ingredients together well. Drop on top of boiling hamburger mixture.

Scalloped Potatoes and Hamburger

Serves 6

- 1½ lbs hamburger
- 4 cups raw potatoes sliced
- 3 tbsn butter
- 3 tbsn flour
- 1 cup grated cheese
- 1½ cups milk
- 1 tspn salt
- ¼ tspn dry mustard
- Dash of pepper

Press hamburger firmly on bottom of oiled baking dish. Put potatoes (sliced in boiling water. Let stand until cool, drain well) Melt fat in saucepan, blend in flour, add milk slowly. Cook and stir until smooth. Remove from heat, add seasonings and cheese. Cover hamburger with potatoes and cream sauce. Bake in oven, 350 F till potatoes are cooked and golden brown on top. Bake 1½ hours.

Here is a great way to cook venison, and when served with thick slices of French bread it makes a hearty supper dish.

SWISS VENISON STEW

Serves 6

- 3-4 lbs venison
- ½ cup flour
- 3 tbsn drippings
- 1½ cups hot water

1 cup red wine
1 tspn mixed dried herbs (thyme, marjoram, basil)
1 tspn dried parsley
1 large onion, peeled and sliced
1½ tspn salt. ½ tspn pepper
3 carrots, scraped and quartered
Cut sinews and bones from venison and cut into bite-size pieces. There should be about 2½ lbs of meat. Roll meat in flour, brown in hot drippings in deep kettle. Add hot water, wine, herbs, onion, salt and pepper. Cover pot bring to a boil. Lower heat and simmer 2 hours, then add carrots and potatoes. Cover and simmer 1 hour, adding more hot water if needed. When meat is tender and vegetables cooked, serve hot.

Not just another fish story

Allan Sills, 225 Dundas St., Deseronto is one fisherman who doesn't have to talk about the one that got away.

Mr. Sill's freezer holds enough fish to provide many meals for himself and his family. His success is even more remarkable considering most of his catches are made using a homemade lure.

Mr. Sills is pictured above with one of his catches, a 37-in., 27-lb salmon caught in the Napanee River using a 20 lb test line and his lure. According to the Natural Resources Branch in Napanee, the fish is one of the coho, Kokanee or Chinook salmon that has made their way to inland waters from Lake Ontario. The salmon were released by the Department of Natural Resources to test their adaptability to life in Ontario waters and take the pressure of lamprey eels off Lake Trout.

Among the other catches made by Mr. Sills were a 33-in., 16-lb salmon from the Napanee River and a 23-in. bass caught during the summer near Marlbank.

SPLASH program underway

SPLASH, the Student Program for Leisure Activities, Swimming and Health Instruction financed by a L.I.P. grant is now under way at three area schools.

Al Camelford, principal of Deseronto Public School, who worked with vice-principal Jack Murphy in applying for the grant said swimming and health instruction began this week.

Students from Quinte Mohawk, Tyendinaga Public and Deseronto Public Schools are now being bussed for daily swimming classes at the Quinte Kewanis Pool in Belleville and

receiving health instruction at their schools.

Lifeguard Barry Mason of Belleville and Mrs. Laurel Kellar, Deseronto are responsible for teaching swimming.

Mrs. Gail Veltiher, Napanee is instructing students in preventive health education.

Mr. Camelford said they hope to start the ceramics program as soon as a qualified instructor can be found. Anyone interested in teaching this course who possesses a knowledge of ceramics and pottery and has an aptitude for art should apply to the Canada Manpower Office in Belleville.

Don Brant, a long time area resident and former employee at Ideal Vendors has opened a grocery store on the Bayshore Road just east of Highway 49. D & S Groceria, which opened three weeks ago, is operated as a family business and will be open 7 days a week.

Notice

QLM Laboratories is conducting a population survey of five species of fish in the vicinity of the Lennox Generating Station, Bath, Ontario. White perch, yellow perch, rock bass, white sucker, pumpkinseeds and smallmouth bass will be marked with a spaghetti type tag and released in the vicinity of the Lennox Generating Station. QLM Laboratory of Oswego, New York is offering a reward for the return of any fish and tag or tag alone as long as the date and location of capture are known. If you should capture one of these fish we would appreciate your cooperation.

HOME IMPROVEMENT GRANT AWARDED

The Tyendinaga Reserve has received a \$30,500 L.I.P. grant for community improvement.

The program, which started November 3, will run approximately to May 13, and is designed to aid in the renovation and repair of homes on the reserve. Seven homes are now under repair by the eight men employed under the program.

The L.I.P. grant pays the cost of labour with materials being provided by the homeowner.

Elton Brant, Band Administrator, says loans a purchase of material are available through the Band Office.

Nominations for Band Council will be received this Saturday, Nov. 22 at the Council office. Nominations will be open from 9 a.m. - 12 noon. The election for Band Council is December 6.

DDMH News

The Midget All-Stars played a 2-2 game against Napanee at the Deseronto arena, Saturday night.

Goal scorers for Deseronto were Kevin Baker and Jeff Sergeant. Sunday, the two teams played in Napanee with the home side picking up a 7-2 win. Baker and Sergeant again potted goals in a losing effort.

The Midgets next game is this Sunday, Nov. 23 at 6:30 p.m. in Picton.

The Deseronto Legion PeeWee All-Stars also played last Saturday. The result was a 5-3 loss to Gananoque in Gananoque. Trevor Brant, Chris Brant and Shawn Brant scored the Deseronto markers.

The PeeWee's next game is this Saturday, Nov. 23 at 5 p.m. at the Deseronto Community Recreation Centre.

THIEVES NET \$200

Malley's Variety Store, Main St. Deseronto was broken into over the week-end. According to Police Chief Carl Beattie, \$200 was stolen.

EDITORIAL

The hardships caused by the postal strike are no more clearly demonstrated than by the appeal from the Hastings - Prince Edward TB and RD Association on this page.

The Association's fund raising efforts, together with those of many other worthwhile charitable endeavours, depend on mail service. The people connected with genuine charitable organizations work hard and

unselfishly for the benefit of others. That their efforts be handicapped by a union executive power play is a sad commentary on the weakness of the Canadian government.

Postmaster General Bryce Mackasey has taken what he considers a strong stand in negotiations with the postal union. Mr. Mackasey does not seem to realize that the union executive can be equally stubborn.

The executive has backed themselves into a corner and need government action to save face. They can't possibly justify their existence if they settle for a salary offer they rejected prior to striking.

They recently announced the acquisition of a strike fund. This indicates a desire on their part to keep their members from returning to work due to a lack of money. Unlike the rank and file union member, the executive has continued to collect their salaries from union dues.

The executive doesn't want members wondering if their dues are being wasted. They want either a larger settlement (which would make a joke of both Mackasey and his party's economic policy) or an order to return to work.

The government should give them their wish and impose binding arbitration backed by stiff penalties if they refuse to comply. They are elected to protect the Canadian people and it is time they had the courage to do their job properly.

Depression is natural - talking often helps

by David Woods

The dictionary defines depression as "dejection of spirit."

That's something we all feel from time to time, and it's entirely natural; after all, if we assume that what goes up must come down, a continual state of elation is impossible.

But depression that persists, the "blues" that go on too long — that's when you need to seek some kind of professional life.

Depression can be caused by a number of occurrences, such as loneliness, bereavement, financial or employment worries, marital and family difficulties. The early warning signs may be lack of sleep, loss of appetite, or a general sluggishness in physical or mental function. Some people are better able to cope with it than others; but for everyone suffering from depression, communication — talking things out — is the first step toward putting matters right.

Sometimes, if you recognize that the depression is more than a passing feeling of gloominess about the weather, or over an argument with the boss, it's helpful to talk with

close friends or family. If you feel that the problem requires medical help, arrange counselling sessions with your family doctor.

Your own doctor may be able to help you get to the root of the problem; or may prescribe some of the anti-depressant drugs — a temporary measure, or refer you to a specialist. Anti-depressant drugs, which have been available since the mid-1940s, have helped many sufferers.

The solution lies in being honest enough to discern that depression has gone on too long, or has sunk unusually low — and to seek treatment.

If you can pinpoint the cause, as, for example, in the case of recent widowhood, it's helpful to find someone who has undergone the same experience, and talk it out with them. Increasingly, self-help groups are being formed for this very purpose, and you can usually find out about them from local social agencies or church groups.

If no such self-help group exists — start one. It will probably help your depression, and other people's as well.

The Book, The Bush and the Dove is a collection of vignettes to be presented at the Deseronto United Church on Nov. 30 at 8 p.m. The presentation depicts the history of the church including the union of the Congregationalists, the Presbyterians and the Methodists in 1925 to present day issues.

Performed by the Theatre Five, a Kingston theatrical group, the collection is being presented at some cost to the young people's groups of the church in honour of the United Church of Canada's 50th Anniversary.

According to Bob Thompson, who ministers the congregation with his wife Bev, the presentation is both a witty and informative look at the Church.

Well seems like the government is startin ter worry about fuel along with inflation, unemployment and their own jobs. Now they're claimin' safety an' all that fer lowerin' the speed limits to a maximum of 60 and have throwed in a seat belt clause in the same bill to confuse the issue cause they don't think hou and I are ready to make any sacrifice over our low tank.

The great Pundits are probably right bout that - I see them sellin' the greatest gas wasters in the country agin this year - them snowglobes - fer the joy of recreation, thrills and what have you. They're still makin big gas eatin cars and haven't done nothin bout improving the transportation so's private cars could be done away with. I suppose it's the

old story. if'n you're sittin on a runaway train everyone wants ter think the best - that she'll slow down before she jumps the rails. T'others say let's live it up while we can and the fellers in charge ain't really able ter do nothin till she either slows down or goes crash.

All these fiddlin' things that the governments are tryin' ter do to my mind are like tryin' ter keep a mess of eels in a onion sack - push one in here an another one in there and they keep poppin' out all over.

Heard a great story from Angus Mowat t'other day that he claims is true - seems this couple were gettin' ready ter go out over by Cherry Valley and she was settin' her hair with this spray stuff as sets it like concrete an' the sprays weren't working good so she gives it a coupla squirts into the indoor facility. Well her husband comes in fer a quick sit afore he goes out an' whiles he was a sittin there he throws his cigarette into the john and she went boom. Burned him right painful so they send fer the ambulance. There they was a carryin' the poor chap out, when the stretcher man hears what happened and got laughin' so hard over the story that he drops his end on the way out and the poor feller gets his leg busted an'. Just shows you that smoking is dangerous ter your health - don't it?

Congratulations to Brooks Junior Department Store on their opening here in Deseronto.

The Presbyterian W.M.S. and the Ladies Aid met at the home of Miss Gladys Pearse on Tuesday evening, Nov. 11. Roll call showed 8 present. The Dec. 6 Christmas Bazaar was discussed, also the Dec. 13 Tea and Bake Sale. The ladies will be at the Napanee Mall about 10 a.m. for the Bazaar and the Tea will be held at the Church. The group will be helping with the Quinte Beach Nursing Home Christmas Party along with other church groups in town. Following business, Mrs. Beryl Heman gave a talk and showed pictures of her trip to Calgary and Banff. Next month's meeting will be on Dec. 9, at the home of Mrs. Stella MacMillan which will include a Christmas party.

On Saturday, Nov. 15, Mr. and Mrs. M. Cummings of 96 Mill St., Deseronto entertained guests with a pot luck supper. During the afternoon there was three tables of Progressive Euchre enjoyed. Prizes were: 1st Ladies-Helen Post, Napanee; 2nd Ladies-Miss Fiddlies Fitzgerald; Ladies Booby-Mrs. Walter Hudson, Napanee; 1st Mens prize-Mr. John Smith, Napanee; Lone Hand - John Smith, Napanee; Booby Prize-Mr. Harold Post, Napanee.

Recent dinner guest of Mr. and Mrs. M. Cummings were Mrs. Hazel Waddingham and Mrs.

Mrs. C.M. Luffman returned Sunday from Ottawa accompanied by Mr. and Mrs. G. Brundige, and Mr. and Mrs. C. Brundige. Other callers were Mrs. A. Hudson and her son Douglas Way of the River Rd. Also Mr. and Mrs. David Brundige of Trenton.

In hospital in Belleville is Mr. Reg File of Centre St., Deseronto. Home again from Lennox Addington Hospital is Mr. Eric Elmer of St. George St., Deseronto.

Miss Sandra Ryan of Dartmouth, N.S. who has been a guest of her grandmother, Mrs. M. Ryan and her great-grandmother, Mrs. Luffman, returned home.

Mr. and Mrs. Wm. Howard motored to Oshawa for the weekend to see their parents, Mrs. L. Howard and Mr. and Mrs. Noordman and family.

Miss May Hunt, a Deseronto teacher that many residents will remember from their youthful schooldays was recently visited by a former pupil still living in Deseronto. Here is her account of that visit.

Miss May Hunt, a former resident and long-time teacher in Deseronto is now a patient in Lennox-Addington County Hospital. A visit with her on Sunday revealed that she is still alert, her memory as good as ever.

When asked if there was anything she needed or wanted, she said, "No, I have everything here that's needed for now, but when you finish writing that let me read it to see you have not said anything bad about me." After reading it she said, "Well I am glad to see you can still write and spell as you were taught and you might add that I am fine and say, hello to all my friends and former pupils."

Asked how many (students) that would be, she replied, "Oh thousands I suppose, I can't remember how many."

Miss Hunt started teaching in 1914 and retired in 1948. The first school she attended was in what was the Deseronto

Cont'd on page 7

TEACHER STILL HAS GOOD HUMOUR

Cont'd from page 6

Town Hall and is now the fire hall on Edmon St. Two of her first teachers were Miss Violet Smith and a Miss Elliot. Miss Hunt and Miss Smith were later both honoured at the opening of the new school on Stanley Ave. They were the two oldest teachers to have taught in the old school house on Dundas St., now Hwy.#2. Each was presented with a dozen American Beauty roses. When asked if she got them home safely, Miss Hunt said, "No, somebody swiped two or three. you know kids are kids. Some were angels, some little devils. We had all kinds, some were smart, others not so smart, but they knew when I said something. I meant it and they would try to do better."

I remember, she walked around the room carrying a pointer and when she tapped you on the shoulder it meant work, and you worked, or were punished and no one wanted that. She was a wonderful

teacher and person. Although she is now in hospital she has applied for a room at Lenadco or Hillcrest Nursing Home. I won't mention her age as she has asked me to visit her again and added that she will be glad to see or hear from anyone. Teacher's pensions she says were not then what they are now and the pay was not what they get now but she will manage as long as the good Lord spares her.

With her sense of humour and wonderful philosophy of life we can all hope it will be for many years to come.

Mr. Lorne Scero was a Sunday caller at his aunt and uncle's, Mr. and Mrs. Freeman Maracle.

Sunday callers at the home of Miss Stella Brant were Mr. and Mrs. Arnold Wanamaker of Belleville. Saturday callers at her home were Jean Hill of Rochester, N.Y., and Gordon and Debbie Hill of Belleville.

Rueben Brant, Detroit, Mich. spent a week with his sister, Mrs. John Maracle.

On Friday, November 14, 22

senior citizens from the reserve and 22 from Shannonville visited the Royal Winter Fair in Toronto. The seniors enjoyed the horse show and various exhibits from around the country. Following the fair, the group had supper at Old Ed's.

On November 8, the Tyendingaga senior citizens held a bazaar. The tables were gaily decorated with pine cones, pine candles and sprigs. The large table of assorted baked goods was cleared by hungry pastry buyers in under 1 hour. Many hand-made and embroidered items were sold along with crafts.

Mrs. Madge Maracle has returned home after three weeks at Belleville General Hospital. We wish her a speedy recovery.

Here are some delightful candy recipes that both kids and adults will love. All are quick and easy to make but the Peanut Brittle is so simple even the kids can help.

CHOCOLATE PEANUT CLUSTERS

- 6 oz. pkg of chocolate chips
- 1 can or packaged dry chow mein noodles
- 6 oz. pkg of butterscotch bits
- 1 cup peanuts

In top of double boiler on low heat, melt chocolate and butterscotch chips. Add noodles and peanuts. Mix thoroughly. Drop by spoonfuls on waxed paper and allow to set.

PEANUT BRITTLE (Easy Method)

Put 2 Cups white sugar in a large iron frying pan if you have one. Melt down, stirring constantly until sugar becomes a syrup and golden brown. Grease medium size cookie sheet with margarine. Spread 2 cups of peanuts evenly on cookie sheet. When syrup is ready, use large cooking spoon to cover the peanuts. Do it as quickly as possible so that syrup does not harden. After 10 minutes it can be lifted out and broken into pieces.

BROWN SUGAR FUDGE

- 2 tbsn cocoa
- 1 1/2 cups white sugar
- 1/8 tspn salt
- 1 cup milk
- 2 tbsn butter
- 1 1/2 cups brown sugar
- 1 tspn vanilla
- 1 tbsn corn syrup
- 1/2 cup finely chopped nuts (if desired)

Mix together sugars, cocoa, salt. When well blended, add milk, butter and corn syrup. Bring ingredients to a boil in saucepan

and boil gently until mixture forms a soft ball in cold water. Remove from heat and add vanilla beat until mixture begins to show ridges when spoon is drawn through. Add nuts last. Put mixture in greased, large cake pan and let set.

CANDY DOMINOES (no cooking required)

- 3 cups sifted icing sugar
- 2 egg whites, slightly beaten
- 1/2 cup melted butter
- 1/2 cup chopped nuts
- 2 1/2 cups coconut
- 1 tspn vanilla
- 2 squares unsweetened chocolate (melted)

Line a 4 1/2 x 8 1/2-in. pan with waxed paper. Combine sugar and coconut, then mix into combined egg whites, vanilla and butter. Press half this mixture into pan. To the remainder, add melted chocolate and nuts. Press on top of first layer. Chill until firm, cut in squares.

CARNATION 5-MINUTE FUDGE

- 2/3 can Carnation milk (small size)
- 1/2 tspn salt
- 1 1/2 cups chocolate chips
- 1/2 cup chopped nuts
- 1-2/3 cups white sugar
- 1 1/2 cups cut marshmallows
- 1 tspn vanilla

Mix milk, sugar, salt, in saucepan, over medium heat, add remaining ingredients. Stir in marshmallows until melted. Pour into greased cake pan to set.

DANDY CANDY

- 1 cup instant skim milk powder
- 1 cup honey
- 1 cup peanut butter
- 1 cup chopped peanuts

Blend skim milk powder with the

peanut butter, gradually work in the honey. Shape into balls and roll in finely chopped nuts. Makes about 3 dozen and can be served as either a candy or cookie.

HOUSEHOLD HINTS

Did you know that tomato juice is handy for cleaning brass items. Use a damp clean cloth to wipe clean and it leaves them shiny and bright.

Here are two tips that can be handy when cooking. For seed-free lemon juice, wrap the piece of lemon in a piece fine nylon net and seeds won't pop through.

To avoid cracked shells while hard cooking eggs, punch a tiny hole in the large end of the egg with a needle or pin. This also makes the eggs easier to shell.

For people who enjoy shrimp; try soaking fresh shrimp in beer for 24 hours before cooking. It gives a delicious flavour.

Report from Town Council

Deputy Reeve Whalen, chairman of the Streets and Parks Committee, advised council at their meeting, Nov. 17 that his group had decided to apply hot mix at the rear entrance to the Community Centre.

The members of the committee together with Orval Brant and Jake Wiersma, representing Greer, Galloway Consulting Engineers also discussed resurfacing town streets at their meeting Nov. 4. Mr. Wiersma agreed to give council an estimate of the cost for resurfacing the streets, which are not included in the Water Contract Restoration in the spring of 1976.

Various view points on the conditions in which the streets were left, following construction, were presented by council. Mayor Dickinson then asked

Peter Anderson and Bill Lamble of Greer, Galloway and Assoc. to explain the basics for the County's connecting link in the town and the Dundas St. storm sewer drainage re-construction by the Ministry of Transportation and Communications. Mr. Anderson said his firm could prepare a five-year Road Study on town streets for approximately \$8,000 - 10,000.

Reeve Lyons advised council that a subsidy from the MTC would hopefully be made available for this study because the ministry recommends this type of planning to all munic-

ipalities. Council decided to request a meeting with a MTC representative prior to making any decision.

Council also heard a report from Ralph Lawlor, Public Utilities Commission foreman. Mr. Lawlor said the street lighting system now comes under the town's budget. He said the County's re-construction program on Main Street will require the installation of six, 40-ft poles between Centre and St. George Streets. The installation of these poles complete with telephone connections and new 400 W mercury vapour street lights will cost the PUC approximately \$2,066. Later in

TYENDINGAGA

TWELVE NOMINATED FOR COUNCIL

Incumbent William Brant and former councillor, Willard Hill will vie for the position of chief at the Tyendingaga Band Council elections on December 6.

The approximately 500 eligible voters will choose four councillors from among ten nominees. Slated to run for council positions are Carl D. Brant, Elwood J. Brant, Charles A. Maracle, Mrs. Deanna Brant, Donald R. Brant, Lyle D. Lewen, Roger M. Brant, Andrew C. Maracle Sr., Michael Brant Jr., and Wilbert Brant. The first three men are seeking re-election. The fourth member of the present

meeting, council authorized the installation of one of these lights at the rear of the stores on Main St.

Mr. Lawlor, acting in his capacity as Fire Chief, also advised council that an addition to the Fire Hall was necessary to facilitate the moving and dispatching of two fire trucks. Council referred the matter, including the estimated \$5,000 expenditure to the Property Committee.

Prior to closing the meeting, council decided to hold a closed session, Nov. 20 for the purpose of Authorizing 1975 tax adjustments and passing of By-Laws

council, Clell Maracle is not running in this election.

Elections on the reserve are based on the two party system and most of the candidates are associated with one of the two parties. In the forthcoming election, The Progressive Mohawk Party, led by Chief Brant will be opposed by the Mohawk People's party headed by Willard Hill.

There is a clear difference in the philosophy of the parties. Their platforms will probably be presented at an all-candidates meeting prior to the election.

Librarian accepts new post

Mrs. Stella Carney, librarian at the Deseronto Public Library will be joining the Picton Library on January 1, 1976.

Mrs. Carney, who became Deseronto's librarian last January, will take charge of the children's section of the Picton Library. She said she enjoyed her association with the Deseronto branch, but the offer of a full-time position in Picton left her little choice.

"I hope no one will think I'm saying I've enjoyed my time here just because I'm leaving. This has been the most challenging job I've had in the library field because of the limited budget.

I really had very little choice in my decision to leave. The position in Picton was offered to me and it will be far more convenient for me to get to work from my home in Picton", said Mrs. Carney.

The Deseronto Library Board is now seeking a replacement for Mrs. Carney. They are looking for someone who combines a helpful attitude with an interest in books and people. A spokesman for the Board said they could train someone with out experience because of the work done by Mrs. Carney.

"The library's present fine state is due to the excellent job done by Stella. She has implemented a number of new programs which will make the new librarian's job easier", said Board member Mac MacLean.

The programs Mrs. Carney will conduct before the new year include a Christmas film show, Dec. 12 at 9:30 a.m. for the pre-schoolers who have taken part in the "Story Hour". Saturday, Dec. 13 at 10 a.m., Mrs. Carolyn Prentice, Bloomfield, will be presenting three different puppet shows. Mrs. Prentice will also demonstrate the art of puppetry to anyone interested in learning.

Mrs. Carney said she would appreciate it if people interested in attending would call her during library hours, the week of Dec. 8 so she will know approximately how many people to expect.

Looking back

As we approach a new year it is interesting to look back on Deseronto's past.

The present site of the Community Centre was once the home of the Dalton Furniture Factory and Dominion Match Factory and employed sev-

eral local residents (right).

Charlie Firman (far left) was one of the local men stationed at Camp Mohawk. He and three of his Royal Flying Corps mates are shown on what is now Main Street between Malley's Variety Store and Garrett's.

The "Friends of the Museum" group are holding meetings to

discuss plans for the restoration of the Macaulay House in Pictou. ***

Grant Ketcheson, Madoc Agricultural Society president says an increase in the number of people raising and showing goats means the time has come to make goats eligible for grants.

A representative of the agriculture and food ministry

suggested the topic be raised at the Ontario Association of Agricultural Societies' annual meeting in February. ***

Prince Edward County council has rescinded a bylaw authorizing the signing of an agreement with Belleville, Trenton, Pictou and Hastings to form an emergency measures organization. ***

The Ontario Association of Agricultural Societies have set the dates for some of next year's fairs. Tyendinaga Mohawk reserve will hold its fair Sept. 18; Pictou will have a fair Sept. 10-12 and the Quinte Exhibition in Belleville will be Sept. 14-18. ***

The Lennox Theatre Guild's second presentation of the

season, opening this Thursday, Nov. 27, is a Canadian drama entitled, "Yesterday the Children Were Dancing". Written by Gratien Gelinias, the play shows the impact of the Quebec Revolution about 1967, on a Montreal lawyer and his family.

The play, directed by Diane Argue will run for two weekends until December 6. ***

Plans are underway to build a Loyalist Village in Prince Edward County. The village was suggested by the assistant deputy minister of tourism. He suggested the village would be even more authentic than Upper Canada Village or Pioneer Village.

The proposed village would serve as both an educational and recreational centre.

People problems can be serious problems.

This is what Ontario is doing to help solve them in advance.

Recently arrangements were made for a group of Indian children to attend the public school in a northern Ontario town. The principal of the school in the town was aware that Indian children sometimes had a rough time at the hands of other students, and to try to forestall this kind of situation, he called in a Human Rights Commission counsellor to talk to the other children. The counsellor asked the children if any of them had ever moved to a new school, and what they thought it would feel like if they were the strangers. In this way he helped them understand how the Indian children would be feeling when they arrived, and the integration proceeded relatively smoothly.

Community counselling is one of the major roles of your Ontario Human Rights Commission. We hold seminars and discussions with police in areas where there are communication barriers between them and minority groups, to help relieve tension and promote mutual understanding.

We attend meetings of immigrants and native-born minority groups to explain to them both their rights under the legislation and their responsibilities as citizens of this Province.

We also help bring people into contact with local agencies like home-and-school groups, community and government agencies, and churches, which are available to help but which many people don't even know exist. Wherever there's a difficulty based on race, language, colour or creed, the Human Rights Commission is available to generate discussion and motivate people to develop understanding and respect for the other's point of view.

Our job is to help bring people together and encourage healthier relationships among all groups.

HAPPENINGS

By Mrs. Kay Hood
396-2119

Friends gathered at the home of Mrs. James Hines recently to help celebrate the birthday of her sister, Mrs. H. Rosborough of Demorestville, who is visiting her.

Mrs. Grace Brown of Belleville has returned home after spending a few weeks with Mrs. Sam Geddes.

A weekend visitor at the home of Mrs. Kay Hood was her

sister, Mrs. Violet Barbier of Kingston.

Mr. and Mrs. Luman McCutcheon of Selby were Sunday night visitors of Mrs. Lottie Anderson.

Paul and Bradley Lyons spent the weekend with their grandparents, Mr. and Mrs. George Lyons, Deseronto. They were joined for Sunday dinner by Mr. and Mrs. Lyons' son and his wife, Mr. and Mrs. Hugh Lyons of Stirling.

FEED ANALYSIS SERVICE CAN HELP LIVESTOCK PRODUCERS

Livestock of every kind depend on high quality feeds to carry them through Ontario's winter months. Producers, too, depend on these feeds to obtain the best possible production from their cattle.

The Ontario Ministry of Agriculture suggests that home-

grown feeds can be made more productive and in the long-run, more profitable by basing livestock rations on the results of their Feed Analysis Service.

The results contain a complete analysis of the nutrients necessary for growth, production, reproduction and health of farm animals. By using the analysis, ministry representatives and livestock specialists can recommend the proper supplements for homegrown feeds to provide maximum production.

division and Mrs. Lillie LeFort, Junior and School division.

I would like to thank the people at the meeting for the interest they showed in my crafts.

The Mohawk Women's Guild catered to 225 Hydro employees, spouses and friends, on Saturday,

Nov. 22. After the cocktail hour, the group sat down to a roast beef dinner, followed by an evening of dancing. The ladies were thanked and applauded for the delicious, well-served dinner.

Mr. and Mrs. Gil Judd have moved to our area from Kitchener. Welcome to our neighbourhood.

three occupants of the house. Mr. Grass, who phoned the reserve Fire Department, said they responded quickly to the call which kept damage to a minimum.

Mr. and Mrs. R. Tucker, Mr. and Mrs. Fred Keyworth and Mrs. L. McCrae of Napanee were Friday evening dinner guests of Mrs. Walter Scott of Napanee.

Mr. and Mrs. Jim Kimmerly of Waterloo and Larry Kimmerly, Guelph spent last weekend with their parents, Mr. and Mrs. Harold Kimmerly.

On Saturday evening, friends and relatives gathered at Mount Pleasant Hall to honour Mr. and Mrs. Steve Hagerman (nee Kandee

Lucas) who were married recently, with a shower. Everyone joined in a card game, dancing or visiting. An address was made by Mrs. Clarence McTaggart and a purse of money was presented to the bride and groom for which they suitably replied. We extend congratulations and best wishes to Kandee and Steve.

Mr. and Mrs. Delbert Harvey and Mrs. Robert Harvey were Saturday guests of Mr. and Mrs. Harvey Hicks of Picton.

LOCAL BUSINESS SETS SALES RECORD

Lyons' IGA store, Main Street, Deseronto has made the IGA Sales Honour Rolls.

Lyons' set all-time store sales records during three different four-week periods in 1975. The records were set during the four week periods preceeding May 17, July 12 and August 9.

George Lyons and his wife, Hazel were especially proud of the accomplishment, considering they have been associated with the chain for less than two years. Prior to joining IGA, Lyons operated as an independent connected with the Red and White Food Store chain, for eight years.

Mr. Lyons said their association with IGA and advertising were key ingredients

in the store's success.

"Being part of a large chain with a well-known name allows us to take advantage of their purchasing power and advertising. The sales records show you can really do things with advertising. I think advertising is the life-line of a business, providing you have the other ingredients, like good prices and a friendly atmosphere," Mr. Lyons said.

Homemakers' Corner

By Helen Harmer

With Christmas fast on the way, now is the time to think of making those treats that highlight the season. Here are a few that can be made ahead of time and frozen or wrapped until needed. Even a working homemaker will have time to try this first recipe that can be made in a jiffy.

FRIDGE FRUIT CAKE

28 graham crackers (8oz)
 $\frac{1}{2}$ tspn salt
 $\frac{1}{2}$ tspn cinnamon
 $\frac{1}{2}$ tspn ground cloves
 $\frac{1}{2}$ tspn allspice
 $\frac{1}{2}$ cup dates, chopped
 $\frac{1}{2}$ cup almonds, chopped
 $\frac{1}{2}$ cup raisins, chopped
 $\frac{1}{2}$ tbsn grapefruit peel
 $\frac{1}{2}$ cup citron, thinly sliced
 $\frac{1}{2}$ tbsn candied cherries
 $\frac{1}{2}$ cup marshmallows (cut-up with scissors)
 $\frac{1}{2}$ cup table cream

Crumb the graham crackers and add other ingredients, except the marshmallows and cream. Soak the cut-up marshmallows in the cream while mixing other ingredients and add last. Pack in deep cake tin or mold. Requires no baking, just put in refrigerator until mixture is set. Later remove from pan and wrap to keep fresh.

MINCEMEAT DROP COOKIES

Yield: 6 Dozen cookies

$\frac{3}{4}$ cups shortening
 $\frac{1}{2}$ cups firmly packed brown sugar
 $\frac{1}{2}$ tspn vanilla
 $\frac{1}{2}$ tspn lemon juice
 $\frac{1}{2}$ egg
 $\frac{1}{2}$ cups all-purpose flour
 $\frac{1}{2}$ tspn salt
 $\frac{1}{2}$ tspn baking soda
 $\frac{1}{2}$ tspn cinnamon
 $\frac{1}{2}$ cup chopped nuts
 $\frac{3}{4}$ cup mincemeat

Preheat oven to 400 degrees. Cream shortening, sugar, vanilla and lemon juice. Blend in egg, sift flour, salt, baking soda and

cinnamon. Add to creamed mixture. Stir in nuts and mincemeat. Drop batter from a teaspoon onto a greased baking sheet. Bake 10-12 minutes. Allow to cool and package for freezing if desired.

DATE SHORTBREAD

$\frac{1}{2}$ cups all-purpose flour
 $\frac{1}{2}$ tspn baking powder
 $\frac{1}{2}$ tspn baking soda
 $\frac{1}{2}$ tspn salt
 $\frac{1}{2}$ cup butter
 $\frac{1}{2}$ cup brown sugar
 $\frac{1}{2}$ cups coarse oatmeal
 and Date Filling

Sift flour, baking powder, soda and salt. Rub in butter with tips of fingers add sugar and oatmeal. Mix well. Spread half of this mixture in a greased shallow pan about 8 x 14-in. Pat to smooth. Cover with cooled date filling, spreading evenly. Cover with remaining crumb mixture. Bake 325 F for 30-35 minutes. Increase heat slightly and bake for a few minutes to lightly brown mixture. Cut into squares while hot and allow shortbread to cool in pan.

Date Filling

$\frac{1}{2}$ lb chopped dates
 $\frac{1}{2}$ cup cold water
 $\frac{1}{2}$ tbsn brown sugar
 grated rind of $\frac{1}{2}$ orange
 $\frac{1}{2}$ tspn lemon juice

Cook dates, water, orange rind and sugar in a small saucepan, over a moderate heat until thick and smooth. Remove from heat, add fruit juices and mix well. Cool before spreading. Filling can be made ahead of time and be ready for use.

ODE TO DESERONTO

Mrs. Joyce Wells, of Deseronto recently returned to the town after a four month absence in Huntsville. Mrs. Wells, who previously lived in Deseronto for four years with her husband, Bill and daughters, Karen, 4, and Debbie, 1 $\frac{1}{2}$, was so glad to return to Deseronto that she wrote the following poem to express her feelings.

MY DESERONTO HOME

By Joyce Wells

The town is just a simple one,
 Overlooking the bay—
 Where life is lived quite simply,
 Each and every day.

In this town of 1,800
 Is where I love to roam—
 And chat with friends and neighbors
 In this my chosen home.

The streets of this small town,
 Are filled with cheerful voices,
 That flow through my mind,
 And so my heart rejoices.

It is my home, a simple one,
 My heart with love it fills,
 It's Home to me and I love it,
 And I always will!

I've often watched the early sun,
 Rise slowly as it will.

And breathed the newness of the
 morning air
 And enjoyed a wonderful thrill.

I've watched the sparkling rain,
 Spread over the thirsty earth
 And watched the grateful flowers,
 Quench their parching thirst.

I've watched the shining sun
 Go to bed in the west
 And had the feeling "God is here"
 Deseronto is the best!
